June 2011

Long-time faithful volunteers, John & Barb Fehl, again led a Bible study in their home this year for students from Fremont Ross High School. There were 4-5 faithful young ladies that came all year to study the Gospel of John. The girls are all active in various activities such as drama, music, sports, FFA and FTA clubs. They not only studied the Gospel of John each week, but also used a video portrayal of the book of John to help bring the lessons alive. In addition to studying God's word, the group supports a Compassion International child from Columbia. Thank you to John & Barb for leading this study and encouraging these young ladies in their walk with Christ.

Are You Praying for YFC?

Youth for Christ has identified five essentials of a fruitful and sustainable local YFC ministry. "Widespread Prayer" is the top essential, and we deliberately seek to engage lots of Christians such as yourself to intercede on behalf of our local ministries. To that end, our YFCNO office manager, Barb Pfeiffer sends a weekly email called the "Prayer Update" to everyone who is called to pray for our local YFC ministry. The email includes a list of Teen Needs, Ministry Needs, and Answers/Praises. If you already receive this weekly email and use it to focus your prayers, thank you and God bless you. If not and you would like to receive the Prayer Update, please email Barb at info@northernohioyfc.com and simply ask to be included on the YFCNO elist of prayors. Thanks for including YFCNO volunteers and staff in your prayers as well as all those teens we are seeking to reach with His love and Good News.

MORE ON THE YFCNO STRATEGIC PLAN

The fourth goal of the Youth for Christ of Northern Ohio strategic plan is to establish and maintain a fully funded, equipped, and staffed chapter headquarters located convenient to the ministry areas and effective in communication and ministry support. Our current headquarters in Wadsworth is not as centrally located to some of our ministry sites and as the ministry grows, we see a need for a more centrally-located headquarters. Please pray for wisdom and discernment for the Board and Executive Director, Steve Pausch as they lead and make decisions regarding the future.
